**W**hat a year! You are among the dedicated Dukes who have stepped forward to say, "I'm in!" and support *Unleashed: The Campaign for James Madison University*.

What's more, **your gift means you are a Woman for Madison** — part of a diverse network of alumni, parents, students, faculty and friends of JMU who together make a significant, positive impact on JMU through annual giving.

Those who gathered at the "Women Who Amaze" 2019 Summit know how powerful this can be — and what a force we are when we come together. **Please visit [j.mu/wfm](http://j.mu/wfm)** to find out more about ways you can be involved in Women for Madison and keep making a difference at JMU.
